

Legendary Performance™

KAYU® Borneo Mahogany Primed Trimboards™

KAYU® Borneo Mahogany Trimboards™ is a carefully selected Meranti hardwood species; the result of 30 years of extensive worldwide importing of hardwoods for the US and Canadian markets. It is a top choice for many homeowners selection of Outdoor Trim; a proven performer for decades in the most demanding applications. Resistant to shrinkage, splintering, scratches and dents. It is among one of the high quality products imported by KAYU® International from SE Asia.

COMPARE...

Oil based Primed 2x with a uniform Gray color and Finger Jointed using high quality water-proof, type 1 glue. Its dense cell structure serves as a natural deterrent to decay, insects, mold caused by humidity, and deterioration caused by snow and hot summer days. Highly stable and sturdy with 100% clear grade, 100% kiln dried for consistency, smoothly finished and always doubled checked by KAYU exclusive graders. Superior substrate, square edge corner and excellent paint holding Fibers. A proven performer of High Quality Hardwood.

Available Size

- Straight 16'
- 1x4 thru 1x12
- 5/4X4 thru 5/4X12

Disclaimer:

KAYU® hardwood decking products are carefully selected and inspected to ensure the finest quality. However, all natural wood is subject to expansion and contraction as the moisture in the environment surrounding the wood changes. Shrinkage, expansion, checking and other movement are normal occurrences in all hardwood decking. Natural wood products are subject to variances in color, grain, density and performance.
